### **the killing of karen pdf**

On November 13, 1974, Karen Silkwood was driving on a deserted Oklahoma highway when her car crashed into a cement wall and she was killed. On the seat next to her were doctored quality-control negatives showing that her employer, Kerr-McGee, was manufacturing defective fuel rods filled with plutonium.

In that world each family did its own killing and cleaning of domestic animals. Death was a part of life. Killing

was undeniably essential to living. Cruelty was seldom, if ever, a part of this killing. Mankind understood its place in life, and respected the place of the creatures whose deaths were required to perpetuate existence.
